TOTO Introduces the Atherton Undercounter Lavatories

(Morrow, GA) January 20, 2015 — TOTO's new Atherton vitreous china undercounter lavatories provide an appealing and versatile design option ideal for any bathroom environment. With their clean lines, simple geometric shapes, and precise symmetry, these new undermount lavatories offer homeowners the sleek look of a seamless transition from basin to countertop.

This year, TOTO introduces three Atherton undercounter designs: two oval models that measure 17" x 14" and 19" x 15" and a rectangular model that measures 17" x 13". Their easy-to-clean basins have vertical sides and a flat bottom. These Universal Design undercounter lavatories are ADA compliant.

TOTO's new Atherton undercounter lavatories bring elegance, superb quality, and flawless performance to the widest range of bathroom applications imaginable, from remodeling to new construction.

Editor's Note: As with all TOTO products, high-resolution digital images TOTO's new Atherton Undercounter Lavatories are available for download from TOTO's Online Press Room or immediately upon request.

About TOTO

TOTO USA is headquarters for the Americas Division of the TOTO Global Group, which was established in 1917 with the founding of TOTO, Ltd., in Kitakyushu, Japan. TOTO is the world's largest manufacturer of bathroom fixtures and fittings with \$5.1 billion dollars in annual sales. For nearly 100 years, TOTO has been the recognized leader in performance innovation and design with products that enhance the luxury bathroom experience. Today, the company maintains 25,700 employees in 69 offices around the world and owns manufacturing facilities in Japan, Mexico, the USA, China and Europe with an affiliated network of more than 80 production facilities worldwide. With over 1,500 engineers on staff and three centers devoted to research and development, TOTO is dedicated to engineering products that respect the environment while meeting people's needs for comfort, beauty and performance. TOTO's corporate philosophy – People-First Innovation – is the guiding principle for all the company's processes, from engineering and design to manufacturing and sales. Consumers enjoy the peace of mind that comes from knowing they purchased a brand that innovates to improve people's quality of life. Winner of numerous domestic and international awards and recognitions, TOTO is the only plumbing manufacturer honored as Water Efficiency Leader by the U.S. Environmental Protection Agency. The company continues to raise industry standards and consumer expectations as to what is possible in the bathroom, as TOTO believes a high-quality bathroom is an experience and an everyday luxury people value and appreciate.
