FACT SHEET: KEANE FAUCET COLLECTION

(Morrow, GA) February 4, 2014 — TOTO's affordably-priced Keane Faucet Collection melds modern fluidity with classic design elements for an elegant, approachable faucet suite that complements traditional, transitional, and contemporary bath decors.

This sophisticated, inclusive design faucet suite features lever handles to facilitate ease of use by all, no matter their age or ability.

The sleek, transitional suite's lavatory faucet is available in a widespread or single-lever option. Its forged brass construction valves with ceramic disk cartridges exceed the industry standard for longevity, improving temperature and flow control for superior performance throughout the product's lifetime. Its widespread faucet comes with preassembled handles, which makes installation faster and more convenient.

All TOTO innovations are designed to benefit people, the planet, and respect our water supply. The Keane lavatory faucet consumes a responsible 1.5 gallons per minute without sacrificing an ounce of performance. Style-savvy homeowners and design experts will appreciate the real world benefits this versatile faucet series offers when they receive monthly savings on their water bill.

Rounding out the collection is the Keane's tub filler, tub spout with diverter, and shower trim. This sophisticated faucet series pairs beautifully with TOTO's Transitional Series A accessory line.

The Keane Faucet Collection is available in a variety of finishes, including polished chrome, polished nickel, and brushed nickel.

With timeless styling that is always modern and lasting, high-quality construction, and premium materials, the Keane Faucet Collection ensures homeowners and design professionals the worry-free performance that comes from purchasing a world-class brand like TOTO.

High-resolution digital photographs of the new Keane Faucet Collection are available for download from TOTO's Online Press Room or immediately upon request.
