## INSTALLATION NOTES

Back-to-Back Toilet Installations:
TOTO recommends the use of a nationally listed, double sanitary tee-wye only, in vertical waste stacks, in accordance with the stipulations noted in the majority of nationally recognized plumbing codes.

Double Combination Wye / 1/8 Bend	Double Sanitary Tee / Sanitary Cross
YES	NO

To maintain adequate wall gap between the back of the tank and wall, mount the floor flange at a nominal 12" rough-in distance.

It is recommended to have adequate supplemental flows from other water usage fixtures with a drain line slope of 2% with maximum linear runs of 60ft.
