

**AIA Continuing Education System**  
**GBCI Credential Maintenance Program**  
TOTO USA Registered Provider Program Summary Handout

---

Provider: **TOTO USA**

AIA Course Number: **ITO22I**

GBCI Course ID: **0920001641**

Length: **1 Hour**

Credits: **1 AIA HSW CE Hour &**

**1 GBCI CE Hour for LEED Professionals**

Course Title: **People, Our Planet and Water**

---

### **Description**

In this course, gain insight into water efficiency and the role of sustainable plumbing. We'll also discuss testing and standards, environmental technologies, product transparency and contributions to LEED certification.

### **Learning Objectives**

Upon completion of this course, the design professional will be able to:

- Define water efficiency
- Explain why additional testing may be needed beyond that required to meet the WaterSense specification for toilets
- Distinguish between reducing the volume of water used in a building and reducing flow rates
- Select technologies for use in designing bathrooms which contribute toward LEED points and meet long-term sustainability goals

### **Method of Delivery**

The course is offered to design professionals in a live setting.
